

# Mental Health First Aid Connect

## Tutorial Videos

Mental Health First Aid USA created MHFA Connect with National Trainers, Instructors, Coordinators and First Aiders in mind. Our goal was – and remains – giving you the best possible user experience, to make teaching and learning Mental Health First Aid straightforward.

Most of the time, processes within MHFA Connect are the same for an Instructors and Coordinators. There are two notable exceptions: creating a course and inviting learners, and we've including each in their appropriate sections.
